### 3 LEVEL THREE Connections Gallery

#### Gallery Area: Indian Ocean World

Find an object that interests you in the showcase.  
Use the interactive screens to find out more about it.  
What is the object?

Why did you choose it?

What did you find out about it?

#### Look Up! Can you see the Big Croc?

This Big Croc sculpture was made in 2011 by Ghost Nets Australia Artists in Western Cape York. They made this sculpture from items found in the ocean.

What are some materials you can see that Big Croc is made from?

If these materials were still in the ocean, how could it harm oceans and the animals in them?

#### Gallery Area: World Stage Section: Britain and the British Empire

The toys in this case belonged to the Riley family.

Look at their toys. How do they give clues that early settlers to Western Australia were still strongly connected to Great Britain?

#### Gallery Challenge: Indian Ocean World

These little Asian House Gekkos are one group of animals that have spread around the Indian Ocean to find new places to live.

Can you find all 10 gekkos hiding in the Indian Ocean showcase?

##### Gallery Area: Contact, Invasion and Exchange

##### Section: Country, Kin and Contact

The Nyoongar people's first contact with European Colonists was with distant sailing ships which appeared as giant floating birds on the horizon. This sculpture represents this encounter and was made by Nyoongar artist Laurel Nannup.

How do you think this sculpture represents that first contact?

Find the Yarning Circle.

The yarning circle is a place to sit and tell stories, and to listen to others tell stories. Sharing stories is one way to share knowledge.

Spend some time in the yarning circle and read or listen to one of the stories there.
