

Visiting Santa

**A social story for families
visiting Santa with children
who find heightened sensory
environments challenging.**

**At Christmas time children
can visit Santa at the Museum
of the Goldfields.**

Santa looks like this.

**The Museum of the
Goldfields is at the top of
Hannan Street and it looks
like this from the outside.**

Visiting Santa can be fun.

**There may be other people
visiting Santa when I go, I
may have to wait for my turn.**

**It may be noisy; I could wear
some headphones.**

**If I want to, while I wait, I can
have my hands or face
painted by fairies and other
mischiefs.**

I can stand next to Santa.

Or I can sit next to Santa.

**Santa may talk to me; he
could ask me questions.
I can answer Santa.**

**My family or friends will take
some photos of me with
Santa.**

**I can keep the photo with
Santa as a special memory.**

**When my turn is finished, I
can say ‘goodbye Santa’.**

MUSEUM
OF THE
GOLDFIELDS

**Thank you for visiting the
Museum of the Goldfields, we
look forward to seeing you
again soon!**
