

Spectacular harbour views in a luxurious setting make the Maritime Museum Boardroom an impressive venue for executive and corporate meetings, strategic planning days and workshops.

Expansive windows offer guests views of the cargo ships and other vessels as they enter and leave the working port. Being harbour-side with fresh ocean air provides a stimulating yet relaxed setting for creativity, new ideas and connection.

Take your break with a wander through the Museum's award-winning galleries or a stroll around the sparkling harbour. Enjoy high quality catering served in the Boardroom, or stroll into nearby Fremantle for lunch.
