

WA Shipwrecks Museum

Visual Story

Families with young children

I am going to the WA Shipwrecks Museum.

I will see many different things at the Museum.

I can put a coin in the donation box and start my visit as soon as we're ready.

I open the doors by pushing a button.

There are two Museum levels.
I can use the lift or the stairs to go up and down.

Inside the Museum, I will always walk with an adult.

Some things I can touch. Some things I must not touch.
I will ask an adult which things I can touch if I am not sure.

When there are activities to do, I will take turns with other people.

Inside the Museum, I will use a quiet voice.

I will see lots of things hanging from the roof.
They will not fall down.

Some places in the Museum are very full of things.

In the *Batavia* Gallery is a skeleton.
This person passed away a long time ago.

If I need help I can ask a Museum staff member.

Visiting the Museum will be fun!
