## Go back in time!

Our education programs include hands-on experiences which immerse students in the life of the early goldfields. Students will enjoy participating in old-fashioned games, helping with household chores, and exploring innovative use of resources.

Classes wishing to step further back in time can explore the discovery and recovery of extinct creatures big and small.

## Excursion information

Choose a program to suit your needs.

### FACILITATED

# SCHOOL PROGRAMS

**WAM** **MUSEUM  
OF THE  
GOLDFIELDS**

**Discover the unique role the town has played in WA's development, both as a centre of mining and its place at the edge of the Nullarbor Plain.**

## **WE DIG DINOSAURS**

**Years K–3** | *Palaeontology*

How do we know everything that we know about dinosaurs?

Reveal, reconstruct, and investigate fossils and other prehistoric evidence, just like a real palaeontologist.

## **FOSSIL FORENSICS**

**Years 4–7** | *Palaeontology*

How can palaeontology evidence reveal information about an extinct animal?

Help solve a prehistoric puzzle through a hands-on investigation of a unique Australian fossil.

## **FOOTPRINTS OF THE PAST**

**Years 8–10** | *History; Environment*

*The contribution of individuals and groups to the development of Australian society since Federation*

Investigate the ways recycling takes place in the home and elsewhere.

Have our recycling efforts made a difference? What effects have our actions had on the environment?

## **GOLDFIELDS ABORIGINAL HISTORY AND CULTURE**

**Years 4–7** | *Aboriginal and Torres Strait Islander histories and cultures*

Learn about the history of Aboriginal people in Australia since the invasion in 1788 and gain a better understanding of Government policies and their impacts. A guest Aboriginal presenter will then share their experiences, and students can learn more about the richness and diversity of Aboriginal culture in the Goldfields through hands-on activities.

## **INNOVATIVE AND HAND MADE**

**Years 2–7** | *WA History*

How have everyday items and toys changed from the Olden Days?

Discover how everyday items were reused and given another lease on life in the late 1800's. Explore toy making and other useful items.

## **LIFE IN THE EARLY GOLDFIELDS**

**Years K–10** | *WA History*

How was life in the Early Goldfields different to now?

Explore what life was like for people in the Early Goldfields through interactive activities such as washing clothes and playing olden days games.

## **WOODLAND WONDERS**

**Years K–3** | *Biodiversity; Environment*

What happens to our native species when their environment is affected?

Discover some of Australia's animals and explore the importance of the Great Western Woodlands and the need to protect this environment, through story telling.

*\*Please note that under our cancellation policy, if you cancel your booking for our facilitated activities within 14 days of your visit, you will be required to pay the full cost of the excursion.*
