

**Stop 9: Changes (Level 2)**

Can you spot where the seagulls flock?
Now, turn around and look for the turtle and the raft.
It's been carefully made by those who know their craft.

There's a turtle floating by.

**How many logs make up
the raft next to the turtle?**

8 on top section, 7 on bottom section
= 15 in total

**Stop 10: Wildlife (Level 3) – Woodland zone**

Go to the top floor. You're almost at the bidi's end – just one more!

Explore the woodland.
Touch the marri and jarrah bark.

**Peek behind and name some
items in the bush toolkit.**

kodj (axe), taap (knife), sinew, Balga resin,
kangaroo poo, kangaroo skin bag, ochre,
kylie (boomerang), miro (spear thrower)

Moorditj (great) work!

**You've completed
the Boola Bardip Bidi.**

**Did you find all
the answers?**

Boola Bardip Bidi

Follow the clues and begin a journey along the
Boola Bardip Bidi (trail). Find some fascinating
objects and interesting facts along the way.

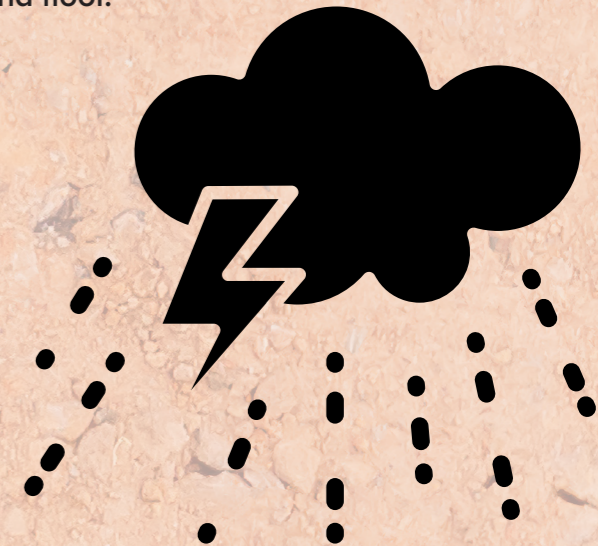

**Stop 1: Ngalang Koort Boodja Wirn (Level G)**

The bidi starts near the ticket desk on the ground floor.
There are only six seasons to learn -
Kambarang, Birak, Bunuru and three more.
Spot the stone heads of Ancestors,
ready to help you explore!

Black swans moult, blue flowers bloom.
Across the sky, thunderbolts!
Our tummies are full of
kangaroo stew and zamia nuts.

What season am I?

MAKURU

**Stop 2: Ngalang Koort Boodja Wirn (Level G – foyer)**

Quick, outside! Then back in through the glass doors.
Are you ready to start your self-guided tour?

Long time ago in a galaxy not so far away,
Look up to our Moorditj Koolangka
leading the way!

How many superheroes do you see?

9 or 10 (depending if you count Darth
Vadar as a hero!)

Stop 3: Ngalang Koort Boodja Wirn (Level G)

Walk all the way to the gallery and go left at the entrance.
Turn right at the quilt, then find the coloured poles.
Across the walkway, something silver you'll behold.

Koorakor koondarm.
Is it a bird? Is it a boat?
White sails coming to shore,
on the river it floats.
Never seen anything like this before.

Who made me?

Laurel Nannup

Stop 6: Reflections (Level 1)

Pass under the helicopter and out the door.
Go up the wooden staircase to *Reflect* on the next floor.
Hint: Search for the little red flower.

In the middle of the gallery, you'll find some
Patient Artworks, two pearlescent and three brown.

What are they made from?

Pearl shells and boab tree nuts

Stop 4: Ngalang Koort Boodja Wirn (Level G)

Head through the yarnning circle. Watch out for fire!
Look for stories of sports people we admire.

"I always play my best,"
he declared to the crowd.
He pointed to his chest.
"I'm Blak and I'm Proud."

Who am I?

Nicky Winmar

Stop 7: Origins (Level 2)

Adventure over the bridge, say hello to Otto on the way.
Take the elevators up, up and away!

This antenna looks like a metal Christmas
tree. It even has something special kept
safely underneath waiting to make you go...
squeeeeeeee!

**How many emu eggs
have been left underneath?**

Three

Stop 5: Innovations (Level M)

Up the golden staircase and
through displays of *Innovation*.
Get ready to feel some motivation!

Look to the sky!

**What is that flying
machine made from?**

Aluminium cans, emu feet, magpie goose feathers
bamboo, power insulator, bike handlebars
plus lots more

Stop 8: Changes (Level 2)

Travel back down to Earth and wander next door.
Go right at the sign that *Changes* and left to *Rhythms of Life*.
The section on carrying water could help get you out of strife.

Water is vital for life and for frogs.
Look for the gnamma holes.

Find the Nyoongar word for water.
